CAMBIO_{e.v.}

Erasmus+ Training Courses series

“TransFORMATION for a better future”

1

TransFORMATIONAL education for **social justice**:
from the 17th to the 23rd of July in **Austria**

2

TransFORMATIONAL education for **ecological
sustainability**: from the 31st of July to the 6th of
August in **Slovenia**

3

TransFORMATIONAL education for **ethical
nutrition**: from the 26th of August to the 1st of
September in **Italy**

Co-funded by the
Erasmus+ Programme
of the European Union

Are you active in the field of **education**?

Are you concerned about **global issues**?

Are you willing to **exchange ideas and experiences** with **like-minded people** from **other European countries**?

Are you **resident** in one of these **countries**?

- ● ● Then you are welcome to embark in this **transformative learning experience** with us!

During the training courses we will explore the concept of **GLOBAL CITIZENSHIP EDUCATION** (GCED) in the context of **social justice, ecological sustainability and ethical nutrition** and gain knowledge of existing solutions to overcome obstacles and **prompt a better future for everybody worldwide.**

We will also realize a **graphic recorded video on GCED**, its importance and its application to different topics, that you could use to spread awareness with your peers and target group.

Co-funded by the
Erasmus+ Programme
of the European Union

TransFORMATIVE education for **social justice**

- **DATE:** 17th to the 23rd of July
- **LOCATION:** Tauchen, Mönichkirchen, Austria
- **AGE OF PARTICIPANTS:** 18+
- **TRAVEL:** All refunded if **green travel** solution like train or bus (possibility of two-day travel for those coming from a faraway place)
- **NUMBER OF PARTICIPANTS:** 24 in total, resident in Germany, Italy, Slovenia, Austria, Czech Republic and Bulgaria
- **LANGUAGE:** English

Co-funded by the
Erasmus+ Programme
of the European Union

• LOGISTICS:

-Accommodation: The training course will be held in the Blue Whale Education Center in the village of Tauchen, in the rural area of the so called "Wechselland" surrounded by green hills and forests. The Center started in early 2022 as a project of the association Generation Europa with the idea of creating a place that could become a home for all who want to learn and open their eyes on the world. Participants will have to share rooms in small groups. The activities will take place mostly in a well equipped seminar room or, if the weather allows, outside.

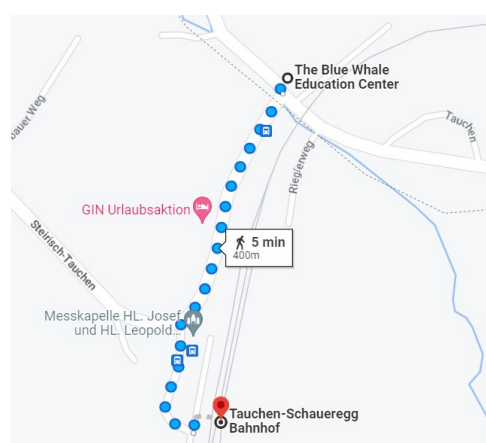

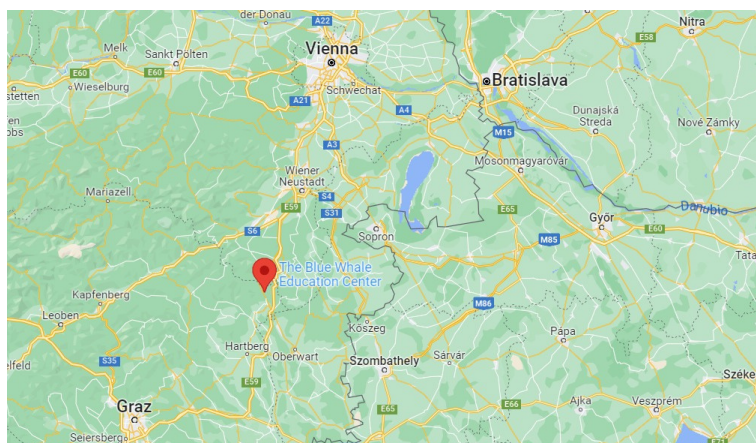

For more pictures and info check out here: <https://bwec.at/>

N.B: The cost of accommodation is covered by the Erasmus+ program.

-How to reach: Participants can reach Vienna or Graz Hauptbahnhof and then take a train to the city of Wiener Neustadt. From there catch a train to Fehring or Hartberg and get off at the station of **Tauchen-Schaueregg**. From there you can reach the house with a 5 min walk.

Adress: Tauchen 125, 7421 Mönichkirchen.

Co-funded by the
Erasmus+ Programme
of the European Union

-Meals: The Blue Whale education Center's staff will prepare delicious meals for us. To ensure the sustainability of our project and promote more conscious dietary choices, the food consumed will be **vegan**, organic, seasonal and local. Please let us know, if you have any special dietary requirements (allergies/intolerances), it will be our priority to always provide safe options for you.

N.B: The cost of the meals is covered by the Erasmus+ program.

-What to bring:

- Comfortable clothes, hiking shoes/sneakers, house shoes
- a waterproof jacket
- flippers and swimsuit (yes, there is a swimming pool!)
- towel and personal hygienic items
- Water bottle, sun protection
- A traditional food/Snack of your country/region for the intercultural night + if you like, a song or some other cultural thing we could listen to or look at.

• TOPICS:

During the course, we are going to exchange our perspectives and ideas about Global Citizenship Education methodologies and develop workshops on themes such as:

- the relationship between growth and happiness;
- the question of the organization, the distribution and the value of work;
- the issue of the distribution of wealth and social injustice behind our lifestyle;
- the importance of human rights and their advocacy to create inclusive societies that leave no one behind.

Co-funded by the
Erasmus+ Programme
of the European Union

TransFORMATIVE education for ecological sustainability

- **DATE:** 31st of July to 6th of August
- **LOCATION:** Metta Farm, Frankolovo, Slovenia
- **AGE OF PARTICIPANTS:** 18+
- **TRAVEL:** All refunded, by **green travel** solution like train or bus (possibility of two-day travel for those coming from a faraway place)
- **NUMBER OF PARTICIPANTS:** 24 in total, resident in Germany, Italy, Slovenia, Austria, Czech Republic and Bulgaria
- **LANGUAGE:** English

Co-funded by the
Erasmus+ Programme
of the European Union

• LOGISTICS:

-Accommodation: The venue place is Metta, an organic farm in a small village named Frankovolo in the east of Slovenia. Participants will sleep in a renewed barn and will share rooms. Most of the activities will be held outdoors, otherwise in a shared covered area, where the workshop can take place in case of rain. The accommodation is in a village so there can be no loud all-night parties. Please note that the place has a no alcohol (and no drug) policy.

For more pictures and more info check out here:

<https://drustvometta.wixsite.com/metta/najem-prostora>

N.B: The cost of accommodation is covered by the Erasmus+ program

-How to reach: Participants can reach Maribor and then take a train to the city of Celje. From there, a car transport will be organised to reach the farm.

Co-funded by the
Erasmus+ Programme
of the European Union

-**Meals:** Metta's staff will spoil us with delicious food, but also the participants will take turns taking part in cooking activities, supported by the staff. The food consumed will be **vegan**, organic, seasonal and most of it arrives on the table straight from the home garden. Please let us know, if you have any special dietary requirements (allergies/intolerances), it will be our priority to always provide safe options for you.

N.B: The cost of the meals is covered by the Erasmus+ program.

-**What to bring:**

- Comfortable clothes and sneakers
- a waterproof jacket
- house shoes
- towel and personal hygienic items
- water bottle, sun protection, a hat or similar and sunglasses
- a traditional food of your country/region for the intercultural night+ if you like, a song or some other cultural thing we could listen to or look at.

• **TOPICS:**

The methods addressed will relate to the ecological dimension of GCED, questioning the extent to which economic growth and sustainability are compatible and how to lighten our ecological footprint and re-establish a harmonious cohabitation with the surrounding environment.

The topics addressed will be:

- the preservation of biodiversity;
- the excessive exploitation of natural resources;
- waste management and the relation with consumerism;
- strategies and paths to sustainability.

Co-funded by the
Erasmus+ Programme
of the European Union
